

NICHOLAS SCHOOL DRIVER/CARPOOL INFORMATION

I, the undersigned, have made the following transportation arrangements for my student _____ for the 2026-2027 school year. If there are any changes made to these arrangements, it is my responsibility to let the Nicholas School Staff know in writing before the changes occur.

I understand that for my child's safety, he or she will not be permitted to leave school with anyone not on the designated carpool list unless Nicholas School has been notified in advance. I understand that anyone picking up my child for the first time will be required to show picture identification to school staff, and if they can't produce picture identification, my child will not be permitted to leave. I understand that Nicholas School is not involved in transportation in any way, and I assume full responsibility regarding any carpool arrangements I make with other families.

I understand that drop off is between 8:10 and 8:15 and pick up is at 3:15 P.M. There is a \$5.00/15 minute charge for late pick up, which begins immediately at 3:30. If students arrive after 8:15, the school entrance will be locked. The driver must take the student through the main entrance to the building and sign the student in.

Please be sure all drivers dropping off or picking up your student have a copy of this driver/carpool information. If there will be several different people picking your child up, it is helpful for Nicholas School to have a written schedule of who will be picking your child up each day.
